OUTREACH PROGRAMS

Melvin Ingram's Mission Possible Foundation delivers a series of annual outreach programs to provide inner city and low-income children with the educational opportunities and resources to reach their full potential and beat the odds.

MISSION: CHRISTMAS

Melvin Ingram's Mission Possible Foundation will partner with a local retailer to provide a festive holiday event for single-parent families in need who would, otherwise, have little or no Christmas at all. Melvin and Santa will invite 50 financially at-risk, single-parent families to join them at a local retailer, where they will receive a pre-bagged holiday meal and a unique holiday shopping experience.

MELVIN'S READING STATIONS

Melvin Ingram's Mission Possible Foundation will place and maintain libraries in Title I schools and inner city community centers. Melvin's Reading Stations will provide at-risk students access to books and a fun environment to read with family and friends.

THE G. MELVIN INGRAM, JR. MEMORIAL FUND

A grant-making program, The G. Melvin Ingram, Jr. Memorial Fund will provide assistance to low-income, single-parent families. The purpose of this program is to be a financial hand-up, while strengthening the ability of these families to care for themselves, enhance their stability and security and improve their quality of life. Applications will only be available through approved local non-profit community organizations.
